Subject: 45th Annual Environmental Show of the South

Stan

As you may recall from your years in Region 4, each spring we host what is now known as the Environmental Show of the South. This will be the 45th Annual Conference and it is scheduled for April 20-22, 2016 in Gatlinburg TN. I , and our team , would be honored if you would be the keynote speaker on the first morning of the conference. (If that day does not work, we could tweak and have you speak on second day or something. Typically the crowd is about 1000 folks. We are open to topics she would like to cover, but prefer they be waste or regulatory related. Your presentation will be about 10 a.m. and you would have up to 1 hour including Q & A.

Please let me know if you can join us in Gatlinburg!

Best regards,
Bob Martineau

P.S. The Administrator did an amazing job here on Tuesday. The office is still buzzing.

Subject Information Briefing on Effort to Revise Effluent Limitations Guidelines for Alaska Seafood Processors

Location WJC-N 3412

Show Time As Busy

Point of Contact for the Meeting: Jan Matuszko
SCt: Denise Anderson, (b) (6)

*Stan will call the VTC to connect - Region 10 Tahoma

Purpose: Provide information on: seafood processing in Alaska and associated impacts, existing applicable ELGs and history, current action, and next steps for a final rule.

Role of the Administrator: Listen and provide input on finalizing this rule in CY 2016

Background: OW in coordination with Region X is developing revisions to

ELGs for seafood processors in certain areas of Alaska. In light of the associated negative water quality and human health impacts and because Alaska is currently in the process of issuing draft general NPDES permits for seafood processors, revising these ELGs now is a high priority for Region X.

Last possible date for the meeting April 21, 2016

Is the meeting urgent and if so, why?: It is important to have this briefing on or before 4/21 in order to proceed to an AA level option selection before 4/30 then prep for October signature on final rule.

Requested Time Length: 45 minutes

Call In # (b) (6) / Code (b) (6)

Point of Contact for the Meeting: Allison Mihalich (b) (6) Debbie Rutherford (b) (6)
SCt: Denise Anderson, (b) (6)

Purpose: Pre-brief Acting Deputy Administrator (DA) for series of meetings with strategic goal teams, cross-agency strategy teams, research programs, and mission-support programs to discuss results of FY 2016 strategic reviews

Role of the Deputy Administrator: Provide feedback on approach for meetings to discuss FY 2016 strategic review results

Background: FY 2016 is EPA’s third year of conducting strategic reviews. This year EPA restructured its strategic reviews to strengthen the agency’s focus on enterprise risk and expanded the scope of its strategic reviews beyond the strategic goal objectives and cross-agency strategies to include mission-support programs led by OEI, OARM, and OCFO and research programs led by ORD. OCFO designed a more structured approach to focus the reviews on: 1) risks and opportunities; 2) performance results; 3) and key actions to start, keep, or stop.

This pre-brief is to prepare the Acting DA for eight meetings—one for each goal team, one for all cross-agency strategies, one for research programs, and one for mission-support programs—during which senior leaders will discuss the most significant results of their strategic reviews. The results of these discussions will inform EPA’s May 16, 2016 Summary of Findings submission to OMB (required for strategic goal objectives and cross-agency strategies) and set the stage for an agency-wide senior leadership enterprise-level discussion on June 8, 2016.

Requested Date of Meeting: Please schedule this pre-brief for the week of April 18—preferably for April 21 or 22—and prior the first of the eight meetings (tentatively planned for April 21-22 and May 2-10)

Is the meeting urgent and if so, why?: It is important to pre-brief the Acting DA before the meeting to discuss strategic review results begin.

Requested Time Length: 30 min.
